

CORONAVIRUS (COVID-19) UPDATE

We are OPEN. We plan to remain OPEN, but we have made some changes. We are prioritising repairs and our workshop over new bike sales to keep as many people running and mobile as we can.

This means there will be:

- Limited customer access to the shop
- NO browsing, and
- Limited access to new bikes for test rides and purchases

If you're interested in a new bike, please contact us ahead of time to discuss options, sizes and stock before visiting.

Effective **Saturday 28th March**, our business hours are:

MONDAY - FRIDAY: 9AM - 6PM

SATURDAY - SUNDAY: CLOSED

PUBLIC HOLIDAYS: CLOSED

The workshop will be CLOSED WEEKENDS until further notice.

We will have limited appointments for pickup and drop-offs on SATURDAY mornings. Please contact to arrange.

We are no longer promising same-day servicing, but all work will be completed ASAP (generally 1-2 working days).

This is not an easy choice, but we believe this is the best way forward to ensure the safety of our staff and our customers. If your only available time is a weekend, please contact us to arrange a time. All these steps are on top of measures we have already implemented. Please understand we value community safety and will be working to keep everyone mobile and safe. If we ask you to take a step back, wait outside, or spray down something you have touched, please be assured that it's not personal, We want to do our bit to help flatten the curve.
