Link Sports during COVID-19

We at Link Sports appreciate that it may be hard for customers to look and purchase goods if stores are closed and taking appointment only bookings. Due to the fact that Link Sports is not public facing we continue to operate as per normal receiving and sending out orders to stores. If the store cannot fulfil an order, during the COVID 19 outbreak Link Sports is offering a drop ship service for shops that wish to take advantage of it. This means they can continue to supply their customers locally with great brands such as Spank, IXS, KS, Gloworm and Granite amongst others.
